of affiliated interest agreements between WEPCO and the project companies in which W.E. Power has a majority ownership interest.

A Notice of Hearing was previously mailed on June 28, 2002, announcing both the public and technical hearing dates for this case. The technical hearings for this case are still on schedule to begin on September 18, 2002. However, the original date for public hearings (August 28, 2002) is being rescheduled to a later date following the conclusion of the technical hearings, so people in the affected communities can benefit from the information presented over the course of the technical hearings.

Copies of the construction applications are available for public review at public libraries throughout the project area. Copies of the construction applications are also available at the office of the clerks for each county, town, village, and city within close proximity of the project area.

NOTICE IS GIVEN that the public hearing has been rescheduled and will be held on Tuesday, October 1, 2002, at 1:30 p.m. and 7:00 p.m. in the Lakeview Hospitality Room at the Country Inn & Suites, 350 East Seven Hills Road, Port Washington, Wisconsin. This building is accessible to people in wheelchairs. A final prehearing conference, in preparation for the technical hearings, will be held on Friday, September 13, 2002, at 9:00 a.m. Technical hearings will commence on Wednesday, September 18, 2002, at 9:00 a.m. Both the prehearing conference and the technical hearings will be in the Amnicon Falls Hearing Room at the Public Service Commission of Wisconsin, 610 North Whitney Way, Madison, Wisconsin. This building is accessible to people in wheelchairs through the Whitney Way first floor (lobby) entrance. Parking for people with disabilities is available on the south side of the building. Any person with a disability who needs additional accommodations should contact the docket coordinator listed below. The technical hearings will continue as scheduled by the Administrative Law Judge.

The Commission does not discriminate on the basis of disability in the provision of programs, services, or employment. Any person with a disability who needs accommodations to participate in this proceeding or who needs to obtain this document in a different format should contact the docket coordinator listed below.

Individuals who wish to participate in the hearing are encouraged to testify during the public hearing sessions and do not have to prepare testimony in writing or in advance of the hearing sessions. Members of the public may also obtain or request copies of the technical testimony from the Commission, the applicant, and any full parties. Individuals are also encouraged to attend and listen to the technical hearings. Commission testimony or a list of full parties may be obtained at the hearing session or prior to the hearings by contacting the Commission docket coordinator at the number listed below.
